The 2014 Physician’s Round Table conference

Accentuating the "heal" in health

Please join us for the 6th year of quality conferences for clinicians and other healthcare professionals. We have again put together a conference that will benefit each attendee and exhibitor. Productive exchange of information, peer networking, and the best in products/services are the core of the conference.

Reasons to join us as an attendee and/or exhibitor:

Highly educational
Outstanding staff
Networking opportunities
CME presentation
Gordon-style conference
New/innovative products
Strengthen relationships
Global exhibits

Pleasant, green surroundings
Extremely easy on your budget
Invaluable Resources
New product ideas
Evidenced-based research

Relaxed atmosphere
Great place for family vacation
Hands-on with exhibitors
Hand selected products
Vital info for next clinic day
International resources
